dinghy davits

Tan coloured helm (low glare)

All existing safety and mooring equipment

**A family oriented mid-cabin with a lot to like. The 280 Sea Ray has berths for 4 adults and 2 children and makes maximum use of available interior space. The large, single-level cockpit includes an aft-facing sun pad opposite the helm, as well as passenger bench seating and a convenient wet bar for refreshments. A large storage compartment is built into the transom, and molded steps at the helm provide easy access to the walk-thru windshield. This 280 Sundancer has heat/air, windlass, extended swim platform, a camper canvas system and comes with very low hours.**
