All existing safety and mooring equipment

All existing manuals, spare parts and accessories

Large dock box

Webber BBQ and propane tank

HD battery booster pack

Electric heater

Built on a solid fiberglass hull, the Bayliner 2855 LX Sunbridge has a super layout with a dinette, two sleeping cabins, good headroom and excellent storage. The cockpit passenger lounge has a back flips fore or aft allowing flexible seating arrangements, and the transom bench seat drops away when extra space is needed aft. "Emily C" has enjoyed heated winter storage since 2016 and her bottom paint was refreshed in 2022. The package includes a slip at Queen's Cove Marina for the 2023 season. She is well-equipped and in very nice condition throughout.
