### Brokers Comments

With a wide 11' beam, the 3055 is a roomy boat inside and out. Headroom is excellent in this boat – nearly six-and-a-half feet. The interior has very large windows for an express style boat, and provides a very bright cabin. In the cockpit the U-shaped lounge features a removable table and converts to a sun pad. A walk-through windshield provides great access to the bow.

Great value for a large beam boat.
