**Survey – 2011**

**Excluding:** Portable generator  
**Professionally maintained since new, this 310 Sundancer is a very popular model, thanks to her sleek sporty lines, spacious cockpit with seating for eight, and well appointed cabin. The mid cabin is an open concept, and can be converted to a seating area complete with table. A very well designed hull provides economical running, and her 11' 5" beam ensures an extremely stable ride. In 2009 the stringers were replaced, the bow pulpit rebuilt and a new windlass installed.**
