October 2005**

Excluded:

Framed picture & some dishes & décor

Brokers Comments

The Carver 325 Aft Cabin offers many special comforts.

A versatile layout provides very comfortable sleeping for six and ample storage space for all aboard. The master stateroom features both a double and single berth for very practical family sleeping accommodations.

A 6-foot sleeper-sofa, 2 wicker chairs, and a lovely wicker trunk/table in the salon makes a cozy place with plenty of seating for inside gatherings. An optional aft deck hard top and radar arch, both with enclosures, provide wonderful extra space for entertaining out of the weather.

Molded steps and two hand rails make for safe and easy access to the aft deck and swim platform. The huge lockable storage box/seat on the swim platform will stow water toys for the whole family. Furniture, dinghy with motor, dishes and many other extras included leave only your bags to be packed.

This 325 Aft Cabin is in immaculate condition, and a pleasure to show!
