Brokers Comments:

Bayliner's 3288 Motor Yacht has beautiful lines and an impressive layout featuring two private staterooms, a generous cockpit w/full size sliding door to the spacious salon where you can enjoy the panoramic view. The aft stateroom features a huge bed with complete privacy, storage & vanity. This boat is extremely well equipped with generator, air conditioning, heating, windlass, and a full bridge enclosure. A pleasure to show and in absolutely wonderful condition!
