### **2004 Galvanized Tri-axle Trailer!**

#### Brokers Comments:

**Freshwater only! This boat and 2004 trailer are in excellent condition.**

**The "AVS" stands for aft-vented-step --- in other words, this is a 2 step-hull boat, with the steps venting pressure out of the aft area of the boat.**

**The 33 Scarab AVS is a fast, smooth running, tight turning performance boat. Factory tests show time to plane - 4.0 seconds, cruising speed of 52 MPH and 76 MPH top end.**

**Stored inside. Please call ahead for an appointment.**
