Brokers Comments:

An extremely clean boat enjoyed and pampered by proud owners since 1996. Her very wide beam gives way to a wonderful roomy layout with generous side decks. Well equipped for travelling anywhere with a generator, heat/Air, & windlass. The new upholstery and draperies are very tastefully done, and give the interior a fresh, modern look.

The Silverton 34 Express is a dream to handle at the docks, and a super rough water boat.
