Sun pad cushion
Fender racks
All existing safety equipment
All existing mooring equipment

2009 Survey

“Built on a solid fiberglass hull, the rakish styling of the 34 Silverton has held up well over the years. A single stateroom, galley down floor plan that sleeps 6 in comfort with the convertible dinette, pull-out sofa and V-Berth cabin. The V-Berth has been very tastefully customized with the bed filled in and cupboard doors with shelves under. The cockpit with glass sliding door is a wonderful place to entertain and BBQ. You will enjoy the 360° view from the salon or the flybridge which seats 5. This boat is in excellent condition and is a pleasure to show!”

All the key equipment for comfortable cruising ... Generator, Air/heat, Windlass, Ice maker, BBQ and 10' dinghy, motor and davit system!
