Foredeck Sun Pad  
All existing safety equipment  
All existing mooring equipment

**Survey: May 2012**

*The 35' President is a rare find and has the same layout as the popular 37' President Aft Cabin.*

*There is a spacious aft deck and flybridge with seating for many, an aft cabin with centre island bed and a private head with stall shower, salon with 2 chairs to port, and a well equipped galley with a full size fridge/freezer, stove and oven. The convertible dinette is opposite the galley and the V-Berth has a privacy door. Beautiful teak cabinetry and flooring throughout and plenty of storage with an affordable price tag.*

**Located off-site - please call for a viewing appointment**
