**Brokers Comments:**

**The Wellcraft 3600 Martinique has a very spacious open concept layout. Sleeping for 6 is very comfortable in the V-berth, mid cabin and convertible dinette. Extra sleeping is available in the cockpit when the huge U-shaped seating with table is converted to an additional bed. You will be well protected from the elements and mosquitoes under the new canvas system. This Martinique is fully equipped with all the key options ... a generator, inverter and charger, heating and air conditioning, windlass, ice maker, vacu-flush head system and separate shower stall.**

**To complete the package, an Aquapro Dinghy and Merc 15hp motor with custom davit system are included!**

**Only 430 original hours!**
