Professionally detailed – gelcoat looks new!  
Dinghy lift system  
All existing safety equipment  
All existing mooring equipment

**Excluding:** Rocking chairs, spare anchor & portable fridge

### **2009 Survey**

**“A very popular boat during her production years. The Sea Ray 360 Aft Cabin was built on a “dual mode” hull capable of trawler-style economy at 7 – 8 knot displacement speeds while still able to achieve planning-speed performance.”**

**A great layout with an Island queen bed in the forward stateroom and twin berths in the aft cabin. The aft cabin is very private with its own head and separate vanity with sink. A generator, heat/air, windlass and full size fridge/freezer are only a few of the options in this very well maintained boat. The professionally detailed exterior looks like new!**
