All details are believed to be correct, but not guaranteed by owner or Broker. Some information may have been sourced from manufacturer's brochures. It is the Purchaser's responsibility to have all engines, systems and integrity of the vessel inspected.

## **Without a doubt, the nicest Carver Cockpit Motor Yacht on the market!**

The 390 Cockpit MY, (same model as the 400/404) is a cockpit version of Carver's very popular 355/356 Motor Yacht. Boarding, swimming, diving and fishing are so much easier from the cockpit, and the extra length adds a knot or two to the speed while at the same time improving the boat's overall profile. This fabulous layout has an expensive wide-open interior with huge windows, 2 private cabins, two fully appointed heads, and galley with full size fridge. The cleverly positioned dinette enables full view and conversation into the bright spacious salon. The aft deck with custom wing doors, wooden cooler, plenty of room for seating, and access to the cockpit is only a couple of steps away from the well arranged flybridge area with seating for many, and tons of storage. Custom canvas was installed last year and has Strata-glass front windows and large screened windows. A Must See ... fabulous condition and fully equipped!

**Owners are buying a new boat and this boat is priced to sell quickly!**

**Located in Toronto - Please call to arrange an appointment to view.**
