All details are believed to be correct, but not guaranteed by owner or Broker. Some information may have been sourced from manufacturer's brochures. It is the Purchaser's responsibility to have all engines, systems and integrity of the vessel inspected.

### **Broker's Comments:**

The 390 Cockpit MY, (same model as the 400/404) is a cockpit version of Carver's very popular 355/356 Motor Yacht. Boarding, swimming, diving and fishing are so much easier from the cockpit, and the extra length adds a knot or two to the speed while at the same time improving the boat's overall profile. This fabulous layout has an expansive wide-open interior with huge windows, 2 private cabins, two fully appointed heads, and galley with full size fridge. The cleverly positioned dinette enables full view and conversation into the bright spacious salon. The aft deck with custom wing doors provides plenty of room for seating, and access to the cockpit is only a couple of steps away from the well arranged fly bridge with additional guest seating.

This Carver 390 Cockpit Motor Yacht is loaded with upgrades, including new taupe custom canvas for bridge and aft-deck, new swim platform with a convenient dinghy roller system. She is exceptionally clean, well maintained and ready for turn-key cruising.

**Located off-site ... call ahead for appointment.**
