Without a doubt, the nicest Carver 405 on the market!

The 405 Aft Cabin Motor Yacht offers an enormous amount of space both on the flybridge and aft deck areas as well as below decks. Every area of the boat is well laid out and beautifully finished in teak accents and neutral furnishings. This fabulous layout has an expansive wide-open interior with huge windows, two private cabins, two fully appointed heads and galley with full size fridge/freezer and oven. The very spacious aft deck - over 100 square feet with hard top, wing doors, ice maker & wet bar - has both port and starboard molded steps to the bridge. New custom canvas was installed last year with Strata-glass front windows and large screened side windows.

Very well priced and completely equipped for immediate possession!
