Fuel	400 Gallons	Water	150 Gallons
Waste	68 Gallons	Headroom	6' 6"
Power	Twin Crusader 8.1L HO MPI – 425hp each ~ 320 hours		

Incredible custom flybridge and aft deck enclosures!

Fabulous live aboard or family cruiser with a huge, open concept layout and accommodations for many.

The Silverton 43 Motor Yacht has a cavernous interior made possible by Silverton's SideWalk® deck plan with an interior that is cozier and more comfortable than most condos! This particular Silverton 43 Motor Yacht has an exclusive custom flybridge soft rigid top with port and starboard hard doors to the sidewalks. In addition, the aft deck hard top has 3 custom doors, glass windows with screens for excellent ventilation and a great platform for barbecuing - a beautiful well designed system.

The salon and galley have great natural lighting and a fabulous view through the large windows. Cherry wood cabinetry, black Corian® countertops, Ultraleather™ sofas and creative lighting all provide a very classy, comfortable interior.

Both the aft cabin and V-Berth staterooms have center island walk-around beds with innerspring mattresses, drawers and excellent cupboards underneath, cedar lined hanging lockers, custom mirror insets on doors, opening windows and/or hatches and private access to vacu-flush heads. The aft cabin and V-Berth staterooms both have separate head and shower rooms.

The galley has better storage and more counter space than most condos. It is fully equipped, and overlooks the expansive salon for an intimate entertaining experience while preparing your favorite culinary delight.

Call to book an appointment to view this one-owner, low hour, freshwater vessel, maintained with no expense spared.

Located off-site – please call in advance to book an appointment.
