All interior wood finished in varnish - spectacular looking

All manuals, including Hino workshop
Maintenance log kept for the past 8 years

Brokers Comments:

"Mia Cara" is in truly spectacular condition! She's loaded with extras that start where most 4550's leave off, and pride of ownership is evident in every corner of this vessel, right down to the spotless engine room.

Her classic hull lines are stunning. The low-deadrise gives an appealing Pacific Northwest profile. Three staterooms, two heads and enormous salon area make her a practical live-aboard, or a comfortable family cruising yacht. The third stateroom converts to a convenient en-suite office or computer area off the master stateroom. Video and data satellite facilities make keeping in touch a breeze from the dock or while underway.

The current owner has focused extensively on vessel safety, and there are numerous upgrades and additional equipment worth many thousands of dollars. She is completely outfitted for extensive coastal cruising, but has spent her entire life in freshwater environments.

This is an off-site listing. Please call ahead for a viewing appointment.
