Regal's 2760 Commodore is a well built express cruiser with deep-V hull, innovative cockpit seating, and a nicely appointed interior with a traditional mid cabin layout. Fore and aft berths plus a convertible sofa, provide sleeping accommodation for six. The cockpit has a double-wide helm seat and comfortable seating for 7-8 passengers. A walk-through windshield provides easy access to the foredeck and sun pad. A 2023 survey is available for review with an accepted offer.
