**The 300 SC (1996 - 2000) is one of Doral's Generation II line of sport cruisers with cab-forward design. Available in two versions, the 300 SC has a slightly smaller cockpit (seats 8) and a larger cabin space than the 300 SE model offers.**

**This 300 SC comes with an extended swim platform is extremely clean and well kept throughout. Cockpit upholstery is like new. The twin V6 MerCruiser engines provide plenty of power and good fuel economy. The port engine was completely rebuilt at end of season 2025 and the Bravo outdrives were serviced in 2024.**

**Below deck accommodations include sleeping capacity for six, a full service galley and head compartment that doubles as a shower stall.**
